To Whom It May Concern:

This is a request under the Freedom of Information Act. I hereby request the following records:

Contracts with Iron Mountain signed or in force over the date range January 1, 2016 to May 5, 2017.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes. The requester is a journalist working for a Congressionally-accredited periodical.

If you intend to acknowledge receipt of this request or give me an internal tracking number, please do so via the same means used to communicate this request to you. (For instance, a reply to the original email.)

We would prefer that any questions about the request be asked via the same communication method. However, if you need to explain or ask something complicated, you may call us at 202-813-1032, extension 120. We will memorialize phone conversations via email afterward.

In the event that there are fees, please inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically--by e-mail attachment, or if the response is too large, direct download link or mailed CD-ROM.

If mailing a CD, please alert us of this fact via reply email (so we know to wait on the post), and send the CD to:

c/o Brandon Smith
